

Candy Kisses

George Morgan (1949)

D7 **G** **G7** **C**
Candy Kisses, wrapped in paper
G **A7** **D7**
Mean more to you, than any of mine.
G **G7** **C**
Candy kisses, wrapped in paper
G **D7** **G** **G7**
You'd rather have them, any old time.

C **G**
You don't mean it, when you whisper
A7 **D7**
Those sweet love words, in my ear.
G **G7** **C**
Candy kisses, wrapped in paper
G **D7** **G** **D7** **G**
Mean more to you, than mine do, dear.

G7 **C**
I built a castle, out of dreams, dear
G **A7** **D7**
I thought that you, were building too.
G **G7** **C**
Now my castles, all have fallen
G **D7** **G** **G7**
And I am left, alone and blue.

C **G**
Once my heart was, filled with gladness
A7 **D7**
Now there sadness, only tears.
G **G7** **C**
Candy kisses, wrapped in paper
G **D7** **G** **C** **G**
Mean more to you, than mine do, dear.
